Targus

Product Specification Sheet

Targus 16

Part #: TSS127EU

Product Description:

The Targus A7 16" Laptop Slipcase is designed to protect 16" laptops from scratches and dust. The heavily padded interior features the Tri-cell Cushion System™ which combines additional foam padding with mesh material for ventilation. The exterior features neoprene material with an industry-grade tarpaulin gusset around the edge which is highly durable and water-resistant. If used inside of another laptop case, the A7 slipcase provides an additional layer of protection from scuffs and wet weather. The slipcase can also be used alone when transporting a netbook between classes or meetings.

Product Features and Specifications:

- Protection – Designed to protect up to 16" laptops
- Function – Helps protect against scuffs and dust
- Material – Durable neoprene and industry-grade tarpaulin material are water-resistant
